One other technique is to check out costs by creating a variety of duplicate gross sales pages with totally different costs on every page. Be sure that your sales copy is exactly the same on every web

page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum worth is.

Finally, if you've written a ebook that solves a downside or presents a new approach, your book will herald each traffic and profits.
