price. Do that by creating a sales web page for the brand new e-book, however do not embody a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Ensure that your gross sales copy is strictly the similar on each web page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum price is.

In the end, when you've written a ebook that solves a downside or presents a brand new technique, your e-book will usher in both traffic and profits.
