An effective approach for determining a value is to ship out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the brand new ebook, but do not embrace a value on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with completely different costs on each page. Make sure that your gross sales copy is strictly the same

on every web page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.

Finally, in the event you've written a guide that solves a problem or presents a new approach, your e-book will herald each traffic and profits.
