An effective method for determining a worth is to ship out a survey to your current customers. If these clients have already purchased an book from you, ask for their opinion by way of price. Do that by making a sales web page for the brand new guide, but do not embody a price on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with completely different costs on each page. Be sure your gross sales copy is precisely the similar on every page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum worth is.

In the end, for those who've written a e-book that solves a problem or presents a new approach, your e-book will bring in both traffic and profits.
