materials, and every time anyone asks you about your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Be certain your gross sales copy is exactly the identical on each web page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum price is.

Finally, if you happen to've written a ebook that solves a problem or presents a brand new approach, your book will herald both visitors and profits.
