price. Do this by creating a sales page for the brand new e book, but don't embrace a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with different prices on every page. Be sure that your gross sales copy is exactly the similar on every page, and includes your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum value is.

In the end, if you've written a e-book that solves a drawback or presents a new approach, your guide will usher in both traffic and profits.
