As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out prices by creating a number of duplicate gross sales pages with different prices on every page. Make sure your sales copy is exactly the identical on every web

page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum value is.

In the end, in the event you've written a ebook that solves a problem or presents a brand new technique, your ebook will herald each site visitors and profits.
