An effective method for figuring out a worth is to send out a survey to your current customers. If these customers have already purchased an book from you, ask for his or her opinion by way of price. Do this by making a sales web page for the brand new ebook, but do not embrace a worth on that page. Instead, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with completely different prices on each page. Ensure your sales copy is exactly the same on every page,

and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum worth is.

In the end, in the event you've written a book that solves a drawback or presents a brand new approach, your guide will bring in each site visitors and profits. So be sure you write that promoting-deal with sentence that sums up what problem your guide solves and what the benefits of your 2031 e-book will likely be to the purchasers who buy it.
