Marketing Methods

The key that unlocks the sales potential of your book is to discover a single sentence that becomes your promoting handle. An effective method for figuring out a price is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion by way of price. Do this by creating a sales page for the new ebook, but don't embrace a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with different costs on each page. Ensure that your gross sales copy is exactly the identical on every web page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum worth is.

Ultimately, if you happen to've written a e-book that solves a drawback or presents a new approach, your guide will bring in both visitors and profits. So be sure to write that selling-handle sentence that sums up what problem your book solves and what the advantages of your 2034 ebook will likely be to the purchasers who buy it. And then watch your market come to you!
