An effective technique for determining a worth is to ship out a survey to your present customers. If these customers have already bought an book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the brand new book, but don't embrace a worth on that

page. As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Be sure your sales copy is strictly the same on each web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. It will tell you what your optimum worth is.

Finally, if you happen to've written a e book that solves a problem or presents a brand new technique, your guide will bring in both site visitors and profits.
