An efficient method for figuring out a value is to send out a survey to your present customers. If these clients have already purchased an book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the brand new guide, but do not include a worth on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate sales pages with different costs on each page. Make sure your sales copy is exactly the same on each page, and contains your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum worth is.
