An effective technique for determining a price is to ship out a survey to your current customers. If these prospects have already bought an ebook from you, ask for their opinion by way of price. Do this by making a sales web page for the new ebook, but don't embody a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with completely different prices on each page. Make certain your sales copy is exactly the identical on every page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum value is.

In the end, if you happen to've written a e book that solves a problem or presents a brand new technique, your guide will usher in each visitors and profits.
