price. Do that by making a sales web page for the new guide, but do not embrace a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Be certain your sales copy is precisely the same on each page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, if you've written a book that solves a drawback or presents a new approach, your e-book will bring in each site visitors and profits. So you should definitely write that promoting-deal with sentence that sums up what problem your e book solves and what the benefits of your 241 guide can be to the purchasers who buy it.
