If these prospects have already purchased an book from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the new book, but do not include a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by making a variety of duplicate sales pages with completely different costs on every page. Be certain your gross sales copy is precisely the same on every page, and contains your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum worth is.

In the end, in the event you've written a e book that solves a downside or presents a new approach, your e book will bring in each site visitors and profits.
