An efficient approach for figuring out a value is to send out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion in terms of price. Do that by creating a gross sales web page for the brand new e-book, but don't embrace a worth on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with completely different costs on each page. Be sure that your sales copy is precisely the same on each

page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum worth is.

Ultimately, if you happen to've written a book that solves a drawback or presents a brand new method, your e-book will herald both traffic and profits.
