The important thing that unlocks the sales potential of your e-book is to discover a single sentence that turns into your promoting handle. This sentence states what query or problem your guide answers and the benefits your book can provide. Then you'll want to use that sentence in every piece of

gross sales and promotional materials, and each time anybody asks you about your ebook.

An efficient approach for determining a value is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for their opinion in terms of price. Do that by making a sales web page for the new guide, but don't include a worth on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Make certain your gross sales copy is strictly the same on each page, and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your site and gross sales of your book. This will tell you what your optimum price is.

Finally, when you've written a guide that solves a problem or presents a brand new approach, your e-book will usher in both traffic and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your e book solves and what the benefits of your 2585 e-book will likely be to the shoppers who buy it.
