An efficient method for determining a value is to send out a survey to your present customers. If these customers have already purchased an book from you, ask for their opinion in terms of price. Do that by creating a gross sales web page for the brand new book, however do not embody a worth on that page. Another strategy is to check out prices by making a number of duplicate sales pages with completely different costs on every page. Be certain your sales copy is precisely the same on each page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum price is.
