Do that by making a gross sales page for the brand new guide, however do not include a value on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with different costs on every page. Be certain that your gross sales copy is precisely the identical on each page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum value is.

Finally, in case you've written a e book that solves a downside or presents a new method, your guide will bring in both visitors and profits.
