An efficient approach for determining a worth is to send out a survey to your current customers. If these customers have already bought an ebook from you, ask for his or her opinion by way of price. Do that by creating a gross sales web page for the new ebook, but do not include a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by creating a number of duplicate sales pages with totally different costs on every page. Ensure your gross sales copy is exactly the identical on every page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum price is.

Ultimately, if you've written a e-book that solves a drawback or presents a brand new approach, your book will herald each site visitors and profits.
