Do this by making a sales page for the new guide, however don't embody a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with different costs on every page. Ensure that your gross sales copy is precisely the same on each page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This will let you know what your optimum worth is.

In the end, if you've written a e book that solves a problem or presents a brand new technique, your e book will bring in both visitors and profits.
