If these customers have already purchased an book from you, ask for his or her opinion by way of price. Do that by making a gross sales page for the new e-book, but don't embrace a price on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with totally different prices on each page. Ensure your gross sales copy is exactly the identical on each web

page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum value is.

In the end, if you've written a e-book that solves a downside or presents a brand new approach, your e-book will herald each visitors and profits.
