The key that unlocks the gross sales potential of your ebook is to find a single sentence that turns into your selling handle. This sentence states what question or downside your ebook solutions and the benefits your ebook can provide. Then make sure to use that sentence in every piece of gross

sales and promotional materials, and every time anybody asks you about your ebook.

An effective method for figuring out a value is to ship out a survey to your current customers. If these customers have already bought an e book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new ebook, but don't embody a value on that page. As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with different prices on every page. Make sure that your sales copy is exactly the same on each page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum worth is.

In the end, should you've written a ebook that solves a problem or presents a brand new approach, your ebook will usher in both site visitors and profits.
