value on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with totally different costs on each page. Make sure that your gross sales copy is exactly the same on each web page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum value is.

In the end, if you've written a ebook that solves a downside or presents a brand new approach, your e-book will herald each site visitors and profits.
