that by creating a gross sales page for the brand new e-book, but don't embody a worth on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Be sure that your gross sales copy is precisely the same on every page, and contains your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum worth is.
